— A SPECIAL MESSAGE FROM —
INTERIM SUPERINTENDENT OF SCHOOLS
GREINITA LATHAN

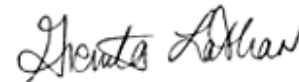

Dear Team HISD,

As our city continues to navigate the aftermath of last week's winter storm, we would like to share some available resources for Houston and surrounding areas. The [Winter Storm Resources Guide](#) can be found on [HoustonISD.org](#) at the top of the page in the gray bar or by clicking on the link above. While this is not meant to be a comprehensive list of all existing resources, it is a good start point to help with recovery efforts around water and food distribution, financial assistance, and other helpful resources.

We also have a comprehensive [Community Resource Guide](#) compiled annually by Family and Community Engagement (FACE) providing more than 450 resources distributed among some 35 topics. This searchable online database can be accessed at any time, as well as downloaded as a PDF. Both resources can be found at www.houstonisd.org/communityresource.

Thank you for your continued support during this time. We hope you and your loved ones are safe.

Sincerely,

Grenita F. Lathan, Ph.D.
HISD Interim Superintendent
